

OPERATIONAL POLICY

GENERAL INFORMATION

Lead Area:	RUGBY SERVICES
Lead Policy Title:	MATCH DAY FACILITIES PREPARATION PROCEDURE
Date last modified:	January 2020

SCOPE OF RESPONSIBILITY

This procedure is to be followed by all Clubs in order to standardise the match day experience for all participants.

The team listed as the “Home” team on the draw is primarily responsible for implementing this procedure, even when not playing at their usual Home venue.

RELATED DOCUMENTS

This policy and procedure should be read in conjunction with World Rugby Laws, particular Law 1 – The Ground. <https://laws.worldrugby.org/>

STEPS

Field Set-up and Preparation

STEP	DESCRIPTION OF ACTION	RESPONSIBLE
1	Match Day Inspection Report The nominated person from the Home Team who is responsible for home game setup should complete a Match Day Inspection report, ensuring the pitch is prepared and safe for competition, and any identified risk is mitigated so far as is reasonably practicable.	Home Team
2	Refer to World Rugby Law 1. The Ground for accurate pitch dimensions and pitch markings	Home Team
3	Refer to the diagram within this policy document for accuracy on perimeter roping and Team Zone areas, including: Perimeter rope/barrier should be no less than 5m from the sideline where practicable Team Zones <ul style="list-style-type: none">- front edge must be no less than 4m from the sideline- solid structures (e.g. benches, chairs, marquees etc) must be no less than 5m from the sideline where practicable- team zone should be no more than 10m wide and 4m deep- team zones should be placed equally either side of half way where possible (i.e. both on 10m line, or 22m line etc) NOTE – Team Zone can be roped off in the Spectator Area if there is not sufficient space between sideline and perimeter rope/barrier. Administrative Area: <ul style="list-style-type: none">- must include 2 x chairs (for yellow card players), not closer than 5m from the sideline- table and chairs for match officials Assistant Referee Corridor is the area from the sideline up to 1.5m back from the sideline. There must be no other person or object providing obstruction in this corridor (e.g. sideline flags, substitute players, ball boys/girls, photographers, Team Officials etc)	Home Team

* This procedure has the effect of a Rule under the Competition Rules issued by the Union and terms used in this procedure and defined in the Competition Rules have the same meaning in this procedure and the rule of interpretation set out in the Competition Rules also apply to this procedure.

Safety/Medical Set-up and Preparation

STEP	DESCRIPTION OF ACTION	RESPONSIBLE
